Microteaching lesson plan

Example ten-minute structure. Adapt it to your programme and learner group.

Learner objective, focus skill and final application check

Time	Teaching and learner action
0-1 min	Open:
1-3 min	Explain:
3-5 min	Practise:
5-7 min	Respond:
7-9 min	Check independently:
9-10 min	Close:

Likely difficulty and a clarifying question

Observer evidence: exact question, learner response, teacher action

One reteach change and how you will check it
